

SEMI PRECIOUS WEAPONS

We Love You Quote Sheet

"Tranter is like Adam Ant, T.Rex's Marc Bolan and Ziggy Stardust wrapped into one, singing lead on AC/DC's *Back In Black*."

"Innovative glam rock sound."

Voted the best band in New York. – *The Village Voice* readers poll (October 2007).

“Gun Blazing bitch-rock. SPW are a hybrid of bowie-esque stage seduction and Sex Pistols. The songs are catchy as hell, retro but fresh at the same time.”

“The DIY Quartet has trash-glam posturing down to a tee, and the slick. Hard edged tunes on We Love You reveal a bullish confidence – not to mention a downright filthy sense of humor.”

“Semi Precious Weapons are like a cross between Bowie and Led Zeppelin with some acrobatics mixed in.”

“Vocalist Justin Tranter could stop everyone – male and female – in their platform boot-tracks. Semi Precious Weapons update the stomping swagger of their 1970’s influences; the explosive Magnetic Baby” kicks it like “Rebel Rebel.””

“This album will transform your drab life into a veritable orgy of gender-bending fabulousness.”

“

“The most important band in America.” (Uk)

“Their glam and garage-rock assault has an urgency that grabs you by the lapels.” (UK)

"Justin Tranter's magnetic personality and garage glam gorgeousness defines rockstar"
- Melissa Rothschild Executive Casting Director MTV

"Semi Precious Weapons are my new favorite band."
Steve Conte, The New York Dolls

"These glam rockers from New York capture a rawness and sexuality that is really lacking in the music industry today. Oh, and - most importantly - their songs are really good!"
- Perez Hilton

"Get behind and support Semi Precious Weapons, because honestly the rock scene don't exist without them. And when Justin Timberlake said he was bringin sexy back, he lied, because Justin TRANTER (the hot blonde) will tell you sexy never left."
- Lady Gaga
